## NIGHTLIFE ITINERARY

Want nightlife with a distinctive urban edge? Downtown Norfolk and its surrounding neighborhoods offer breweries, beer bars, lounges, chef-owned restaurants and nightclubs galore. It's no secret that this city loves live music, after all Norfolk was named one of the Best Small College Towns with the Best Music Scenes. From live music venues to low-key late-night hangouts, Norfolk delivers whatever you and your friends are in the mood for.

### COCKTAIL BARS

For cocktail lovers, stop into Gershwin's, a 1920s inspired bar serving up elevated classics. Get cozy at Toast, the perfect bar to sip a drink and chat with friends. Head to Saltines for delicious cocktails downtown or listen to DJ's spin tracks with a handcrafted cocktail at Thank You Thank You.

### BREWERIES

Breweries are the new neighborhood pubs. Lucky for us, Norfolk's brewery scene has taken off! Elation Brewing Company, Benchtop Brewing, Smartmouth Brewing, Reaver Beach Brewing, COVA Brewing and Makers Craft are just a few that offer live music or other events weekly!

### LIVE MUSIC AND SHOWS

Norfolk's live music scene is rapidly growing, bringing out local musicians and touring bands from across the nation. Enjoy bigger concerts at The Norva or local bands with lava presents and breweries. Get your jazz fix at Brothers and laugh away at Push Comedy. From the large venues to the intimate, there's something for everyone!

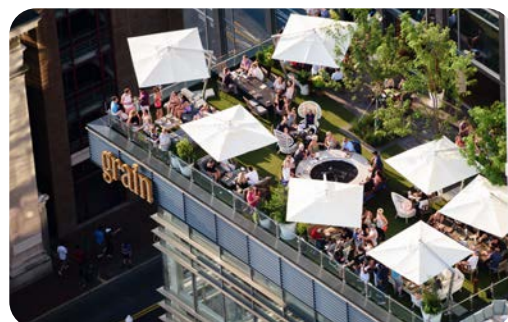

### LAID BACK BARS

Head over to Hank's Filling Station for outdoor games, patio fire pits and live entertainment. Get a slice of your favorite from Cogans Pizza while enjoying some live music on the weekends. Hop across the street to Mack's Barge for a variety of different cuisine and a bar with some pool tables just next door.

### LGBTQ+ FRIENDLY

Get ready to dance the night away at The Wave, an LGBTQ+ friendly nightclub in Norfolk's Larchmont and Lochhaven neighborhood. For something a little more low-key but still a ton of fun, head over to MJ's Tavern in Riverview for great drinks and a game of pool. Don't skip Pride Fest in the summer!

### OPEN LATE

Out late and looking for a bite to eat? Norfolk has plenty of late-night dining hot spots to choose from! Grab a pizza at Benny Damato's or take in the sights at Grain's rooftop. Sit by the fire at Torch in Norfolk's Chelsea District or grab a late-night taco at the Colley Cantina.

### ARCADES

Let your inner kid out at Norfolk's Arcade Bar. From classics like Pac-Man, skeeball and pinball to Guitar Hero and Dance Dance Revolution, there's no better place to have fun with friends. Pixels and Pints and Circuit Social have a wide range of games for you to play while you enjoy drinks and late-night bites.

### SPORTING EVENTS

During spring and summer, head to Harbor Park which overlooks the water to watch the Norfolk Tides, a Triple-A Affiliate team for the Baltimore Orioles. When the temperature cools off, grab a beer and cheer on our Norfolk Admirals, the affiliate team for the North Carolina Hurricanes at the Scope Arena.
